

Descartes Conference on Mathematical Models in Counterterrorism

Hosted by the Center for Advanced Defense Studies

September 28 - 29, 2006

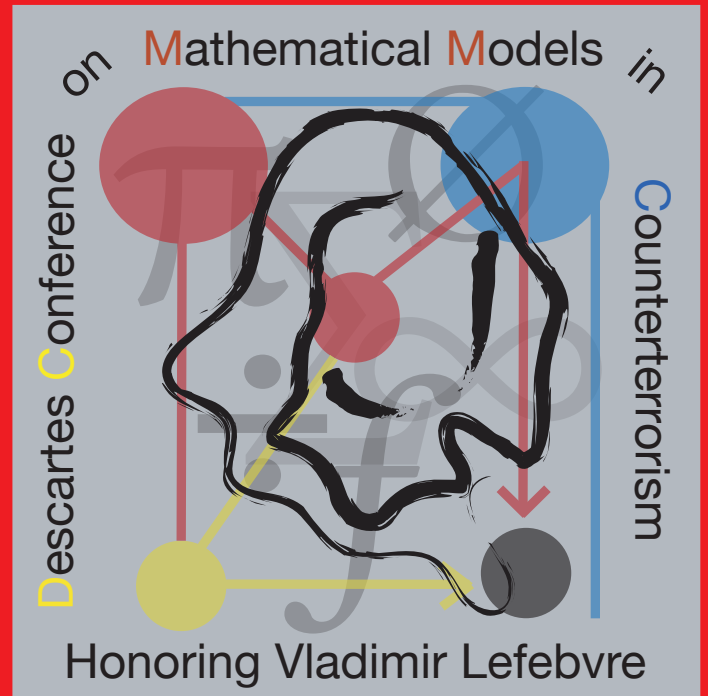

Conference Honorary Chair

Vladimir Lefebvre

Conference Co-Chairs

Jerrold Post Newton Howard

Stefan Schmidt

BECOME A SPONSOR!!!

The Center for Advanced Defense Studies (CADS) is soliciting sponsorships for the Descartes Conference on Mathematical Models in Counter-Terrorism (DCMMC), to be held September 28 through 29 in Washington, DC. Hosted by the Center, this year's Conference honors distinguished scientist Dr. Vladimir Lefebvre.

Sponsorship benefits include:

- **Tax-deductible** contributions
- **Recognition** in several publications including:
 - the CADS and Conference website
 - the Conference Proceedings
 - Conference posters/brochures and booklets
 - all PRs, newswires and announcements
 - and **Much More**

For more information, please visit the conference website at www.c4ads.org/dcmmc2006. To contact the Center directly, call (202) 289-3332 or email cmmc2006@c4ads.org.
